Just a note!

There's nothing quite like the first signs of fall—the colorful leaves, crisp air, and a hint of pumpkin spice. As the days cool, I'm looking forward to cozy sweaters, a favorite fall-scented candle, pumpkin spice coffee, and good music while I enjoy more time with my latest quilting project. Fall is my favorite season, and I can't think of a better way to welcome it than settling in for a little creative time.

Until next week—happy sewing!

Have an upcoming event to share? We'd be delighted to feature it here—send it our way!
